TEACHER COVER PAGE

The salary schedule in the following pages includes teachers, counselors, librarians, psychometrists, speech pathologists, behavioral specialists, Instructional specialists, Instructional Partners, Social Workers, Career Coach and MAAP.

NBPTS SUPPLEMENT

Personnel on this schedule who pass the National Board for Professional Teaching Standards will receive the amount determined annually by the State Department of Education. This is in accordance with Act No. 2010-610. (must work at least 6 months to qualify)

EXPERIENCE CREDIT

New employees will normally be placed on this schedule at Step 0 in the column corresponding to the degree certified on their teaching certificate; however, an accredited public or private school experience credit of one step per year of experience may be awarded for new employees who provide documentation of such experience as a certified accredited public or private school employee on the elementary, secondary, or postsecondary level. To be eligible for the experience credit, the employee must have been employed fulltime for at least 50% of any year for which credit is sought. Experience credit for new employees shall affect placement on the salary schedule only and does not apply as credit toward completion of the employee's probationary period.

J.R.O.T.C. INSTRUCTOR (240-DAY)

1. The minimum salary for a JROTC instructor will be the amount contributed to the Board by the military and that amount matched by the System.
2. The JROTC instructor will be placed at the step and days on the Teacher Salary Schedule necessary to ensure the minimum salary as directed in 1, or placed on the Step which corresponds with the instructors verified public school experience, or verified military instructor experience, whichever is greater.
3. Subsequent increases will be governed by current legislation regarding JROTC instructors and by Active Duty Pay Increases.
4. Adjustments will be made for Active Duty Pay Increases to ensure that the minimum annual salary is maintained.

VERIFICATION OF DEGREE

If you do not hold a valid Alabama Teacher's certificate at the time you are employed in a Certified position, you will be paid from the Bachelor level scale, even if you hold a Master's degree or higher. Once the Alabama Certificate is issued an employee is entitled to pay for an advanced degree in the monthly pay period that begins after the State Superintendent recognizes the advanced degree. If the contract period has ended, the increase in pay will become effective with the first pay period of the next contract. The advanced degree must be earned from a regionally accredited institution.
